

Smart Yacht Ownership

Owning a luxury yacht has never been so simple and carefree. As part of the YACHT Solutions Program, a team of professionals will manage your vessel while you receive income. This could quite simply be the best way to own a boat !

Owner Benefits

Realize your dreams of owning a yacht and enjoy the advantages of having it well managed and maintained, while offsetting the costs of yacht ownership. It is not unusual to end up sailing for virtually nothing. Whether you already own a yacht or are looking to acquire a new one, our services include helping you every step of the way. Our advisors will open the door to savings, tax advantages and sales tax exemptions.

Customized to Your Needs

We will create a complete turn-key solution for you incorporating a revenue plan, scheduling, bookkeeping, maintenance services, crewing and even provide operational training. You will be offered a full menu of services for full readiness including preferred commissary items. Ultimately the typical yacht responsibilities and tasks are taken out of your way, just leaving the fun and enjoyment of being on the boat with your family, friends and guests.

Your Choice of Yacht and Location

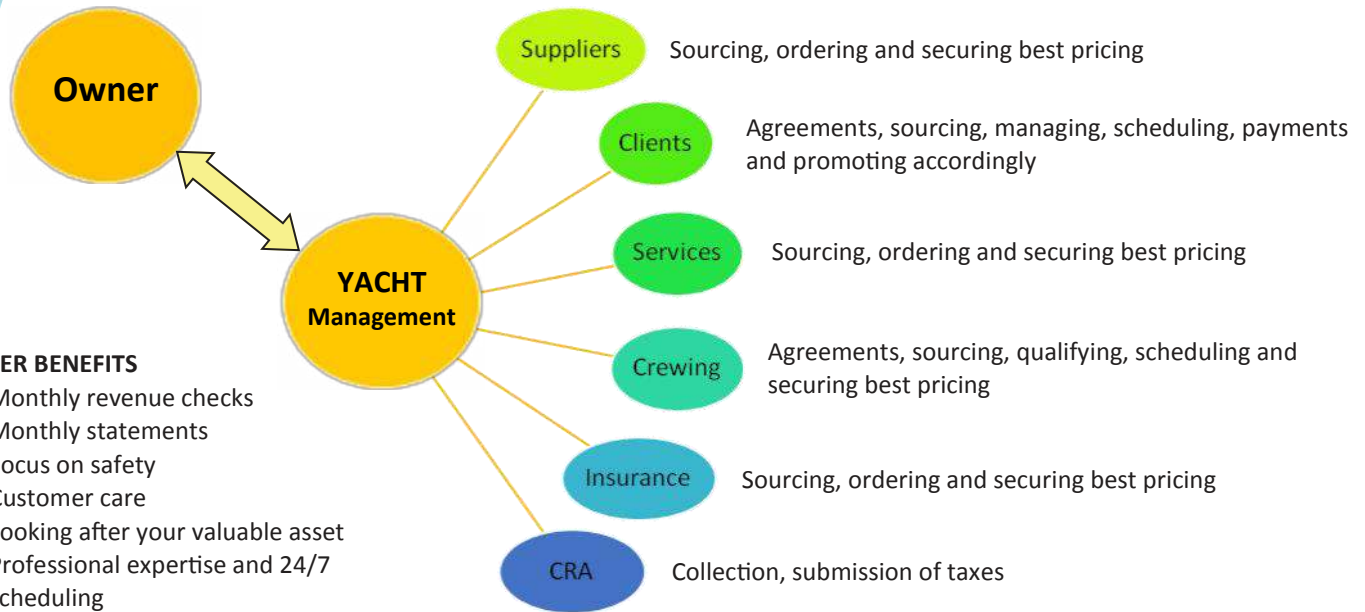

Locating your power or sailboat in the GTA leaves virtually unlimited choices. Some models are more popular and we can give you our recommendations if your wish is to maximize income. Alternatively, you may opt for ownership that allows access to a fleet of boats located in some of the best boating destinations in the world. These yachts are custom made and configured a certain way to keep consistency in the fleet.

Worldwide Destinations

Part of your ownership privileges when operators have bases around the world, is that you can use your boat or a sister ship just like it in other parts of the world including the Caribbean, Mediterranean and South Pacific locations. Should you not be able to use your allotted (up to 12 weeks) any year, not to worry. We can sell or transfer your unused weeks so you still benefit and not lose anything.
